To the Populace of the Knowne World

do we bid Greetings and send an Invitation to one and all join the Barony of Caer Galen for Enduro 2017! (Those dodgy punters in the Valley of Noise are at it again...) Escape the heat of July and join us again at the glorious Pickle Gulch Campground (Camelot, this time not a model.) for a day of questing, excitement and adventure! (Run nutter with a bunch of prats across rocky terrain at altitude!) This year's theme is the extensive, time-honored - almost hallowed even - Arthurian Legends, drawing primarily upon a little known visual source from Gilliam, Jones, Chapman, Cleese, Palin and Idle. (Little known my arse you fink!)

• As in the past, a series of plot-driven challenges will await adventuring parties of four companions, so bring your team or be assigned to a party at Troll. (Oh great, I get to join a cock-up of codgers, muppets and llamas.)

• Combat, as it were, will be held using boffers as to permit all participants a piece of the action. (Gonna wallop on some feeble old folks now are ya? Nice.) Boffers will be provided or you may bring your own, however they will be subject to inspection and approval by the event staff. Armour or combat authorization will not be required. (Finns det någon som talar verkligen Sweedish?)

• Organized (Som on!) activities will be held on Saturday only; however the site is reserved from Friday through 11AM on Sunday - so you may camp if you wish. Campsites will be available on a first-come-first-serve basis at no additional fee. (Är Sweeden även en verklig plats?)

• Children's activities (wee tykes) will be offered, separately from the adult (Jag använder termen looselu...) activities. Please be advised that per Society rules, Adults are prohibited from engaging in boffer fighting with Youth participants. (If you are off your onion and wish to try your hand against the llamas you are on your own.)

Fees:
Adult Event Registration $25
Adult Event Registration Membership Discount $20
$40 - Family Cap
$0 – Unladed Swallows, African & European
Site is officially dry. Open fire prohibitions will likely be in effect.

This is Bear Country. Do not attempt to fight bears with boffers.
Du kan även se en älg, försök inte att bekämpa en älg med en boffer.
However, we have heard that they like love songs and that there is nothing quite like them.
RV Parking is limited, if you intend on bringing an RV please notify the Autocrats in advance. (Llamas are to be confined to the RV Parking only.)

Please direct any additional inquiries to the (dozy) Autocrats:
